

For more than 43 years now, I have been so blessed and grateful to watch God do HUGE things in and through my ministry and through all you dear friends, who also have so faithfully been hanging in there with me with your prayers, support, and friendship. With your help, I am going to do this the rest of my life. I am not about to be shown the pasture gate.

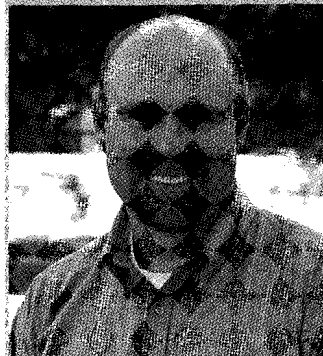

I will still keep going. I like what I do, whether it is in the jungles of New Guinea or across the United States proclaiming the messages God has laid on my heart.

Because you're there praying for us, believing with us, trusting God to speak through us, and investing in us, we're able to fulfill the mission of communicating His message. Plain and simple, you are the wind beneath our wings. By working together, the job gets done.

We want to continue to take one heart at a time, one soul at a time, and one home at a time with the Gospel of Jesus Christ!

Together we are truly helping to fulfill the Great Commission!

Lisa Wilkison from Hobart, IN, is missions chairman of my church. She handles all the checks and gifts that come in for LML and records all that for our Director, Topher Philgreen, who processes it all.

Topher Philgreen from Bucyrus, Kansas, leads Laszlo Mission League. He is director...no little job. He heard me speak when he was in 3rd grade and dreamed about going to New Guinea to see the village in which I worked.

Claude Bowen from Bloomington, IL, my mentor, has been an enormous help to me as a speaker. He has been with me since the 70's training me with his wealth of knowledge since he did a lot of training for big corporations with the Dale Carnegie Company. Claude has visited the village in Papua New Guinea where I worked for 24 years.

Ralph Wheeler from Kankakee, IL, with Wycliffe Associates organizes all the banquets around the country for Wycliffe Bible Translators. He is a great asset to Laszlo Mission League. He has been to Papua New Guinea to the village in which I worked.

Then, there's me from Valparaiso, IN. I'm the founder. All I do is run around the country speaking.

That's the fun part!

These last few months I have traveled all over the nation speaking in 20 states to over 30,000 people.

As for Alaska, there will be only 5 hours of darkness, not 24 hours of darkness. Praise the Lord for that!

When I speak in Alaska, I will be able to say that I have spoken in all 50 states.

Hopefully, the summer months will be a little slower.

Thank you for helping make such an important difference in the lives of so many!

Behind the scenes, there are 7 members on the board who make a huge contribution to the ministry.

There is **Evelyn Murrian** from Melbourne, FL. – Everyone loves Evelyn. She handles all the scheduling of meetings and flights, writing numerous letters, receiving and making zillions of phone calls, keeping the books up-to-date, and sending out all the receipt letters twice a month to each donor, sending me checklists of where I am going, how many people I'll be speaking to, etc., etc.

Then, there is **Lynellen Perry** from Dumfries, VA, who spends a great deal of time keeping the website updated, entering information about various meetings, blogs, responses and comments that come in from my meetings, and filling orders for requests for books, DVD's etc., etc.
