Transforming Lives

July 2009

Dear Friends,

It would be impossible to tell you the wonderful ways your support and prayers have played such a major part in Laszlo Mission League.

Praise God for the work He has done in the lives of so many people. I get responses via email, notes, letters, and phone calls telling me how the Lord has touched lives through my ministry. That, my friends, is the power of the Word of God, and you are a part of these life-changing moments. I am so grateful to have you as a friend all along the way, and I pray that you and your loved ones will enjoy the abundant life that Jesus wants for you as you serve Him.

Helping people who need help is what we do. Helping people who are striving to overcome incredible challenges in everyday life and to be a witness to those who do not know the Lord is what He does through "us." I say us because you make this possible with your financial support and prayers. Thank you, thank you so much! Your letters and e-mails are all so encouraging and uplifting. You spur me on. May you be blessed by knowing you are having an impact and making a difference in the lives of people.

It always bothers me when I can't convey personally to each of you (I mean like over a cup of coffee) letting you know how special you are. We are all part of the Body of Christ; each one needs the other, but somehow that concept tends to get lost. We live in such an impersonal busy world.

No matter where you live or what we do, we are truly set apart and appointed by God to be His ambassadors, you and I, to minister, encourage, and uplift those with whom we rub shoulders everyday. **Please continue to be a partner with me through your constant prayers and financial gifts in this great calling.**

His faithfulness has been so evident in providing daily strength, grace, and wisdom in carrying on day after day. I have had some very exciting meetings these last few weeks. God is certainly moving hearts and changing lives as the Word goes out. To be a part of this is beyond measure. The response I get from those whom I speak is confirmation that I am where I am supposed to be.

Thank you for your prayers and financial support.

Blessings to you and your family,

Marilyn Laszlo
